119	Notes:										
120	(1)	2015 arrivals and percent change reflect a combination of additional records counted and market conditions.									
121	(2)	<p><i>Total Travel & Tourism Exports</i> = travel receipts (purchase of travel and tourism-related goods and services, to include food, lodging, recreation, gifts, entertainment, local transportation in the country of travel, and other items incident to a foreign visit) + passenger fare receipts (fares paid to U.S. air carriers and vessel operators for travel between the United States and foreign countries and between two foreign points).</p> <p>International standards now use a broader definition of travel than previously used, which includes education-related and health-related travel, as well as expenditures on goods and services by border, seasonal, and other short-term workers in the United States.
